

Looking For a Different Language:

1. Open the iSafe tab after step 3 (once you select the product from search results)
2. Select your desired translated SDS, click/select its name (not the flag)
3. Take your SDS from the system (same as step 4, above)

The screenshot displays the ESAB iSafe interface for the product 'OK AristoRod 12.50'. The interface is divided into several sections:

- Name and designation:** Product no: OK AristoRod 12.50, Supplier: ESAB AB. A note states: 'This product is not active on current department. Local information is not complete.' It also mentions 'Applies to department ESAB Safety Data Sheet Library' and 'Modified: 2016-03-17'.
- Properties:** A section for product properties.
- Additional information:** A section with a warning: 'Warning: Metal wire or rods in varying colours. This product is normally not considered as sharp. Care should be taken when handling to prevent cuts and abrasions.' A red circle with the number '5' is placed over this section.
- Active links and documents:** A list of links and documents, including 'SDS esistente', 'Fiche des données de sécurité en vigueur', 'Current SDS', 'Máximende SDB', 'Aktuelle SDB', and 'Aktuelle SDS'. A red circle with the number '6' is placed over this section, with an arrow pointing to the 'Fiche des données de sécurité en vigueur' link.
- This product is used on the following locations:** A table with columns for Location, Consumption, and Organisation. The location listed is 'SOLID WIRES (CS)'. The consumption is 'ESAB Holdings Limited \ ESAB Safety Data Sheet Library \ ESAB PRODUCT DOCUMENTATION \ FILLER METALS (PC) \ SOLID WIRES (CS)'.
- More information:** A section for product details, including 'Show composition', 'Show stock entry', 'Show synonyms and trade name', 'Show all related links and documents', 'Show risk assessment', and 'Show organisational restrictions'.

On the right side, there is a sidebar with a search bar containing 'ok' and a list of products. The product 'OK AristoRod 12.50' is highlighted in the list.
