TWECO SWITCHABLE MAGNETIC PRODUCTS

Pick, Pack & Clamp Work Holding Products For Sheet, Tube, Pipe, Plate
Switchable Magnetic Right-Angle (90-degree) Clamp

- Holds base plate – flat or round – at 90-degree angles for perfect positioning for code work and precision welding or cutting
- Ideal for automated tables used in plasma cutting

Switchable Magnetic Multi-Angle Clamps

- Work-holding switchable magnetic products
- Holds flat, round, odd shaped products
- Perfect for cutting, drilling, grinding, beveling

Productivity
- Speed – faster set-ups
- Convenience – hassle-free, easy to use with a single turn of the knob
- Clean up is quick and easy – just turn-off the magnetic field

Safety
- Safe – no need to touch sharp or hot metal
- Better control – strong hold especially on thin metal
Switchable Magnetic Pick & Pack Lifters & Hooks

- Products to pick, place, slide and reposition steel base metals
- Ideal for small steel handling, dragging sheet, picking and pulling parts out of burn table or handling scrap

Applications

- General fabrication, automotive
- Oil/energy
- Shipyards, railroads/railcars
- Farm, mining & construction equipment
- Light gauge – farm equipment, MRO, job shops
- DIY/hobbyist

Switchable Magnetic Ground Clamps

It’s simple to use – just turn the knob. It’s easy to operate and mounts on all surfaces. Turn the knob clockwise and you instantly have a secure grip. Perfect for flat and pipe applications. Available in 200, 300, and 600 Amp sizes, these ground clamps are designed to save welders time and money.

- Clamp can be used to ground on flat, round, and irregular surfaces
- Choose between 200, 300, and 600 Amp clamps to meet any welding need
- Magnetic field is simple to turn on and off, making use and clean up quick and easy
- Easy to mount: simply attach your ground line to bolt connector tab
